Sir/Madame,

Enclosed, for your review, are two copies of the Natural Resource Inventory/Forest Stand Delineation submittal package for the Magraders Pasture located at 6130 Muncaster Mill Road, Derwood, Montgomery County, Maryland. This submittal is for the proposed subdivision of the property.

Please notify Norton Land Design (NORTON) if the enclosed information is adequate for your review of the Natural Resource Inventory/Forest Stand Delineation for the project. If the NRI/FSD is adequate, please notify NORTON and originals will be sent to receive signatures.

Please call if you would like us present during your field inspections, or if there are any questions or additional information is needed.

Sincerely,

Norton Land Design LLC
