6130 Muncaster Mill Road  
Derwood, MD 20855

Dear Dr. Lewis:

This letter is to inform you that Natural Resource Inventory/Forest Stand Delineation (NRI/FSD) 420141120, Magruder's Pasture is approved. A forest conservation plan can now be submitted to the Development Applications and Regulatory Coordination (DARC) Division in conjunction with any application to which it is a necessary component.

Since the property is subject to the Montgomery County Forest Conservation law there shall be no clearing of forest, understory, or tree removal on the subject site prior to the approval of a final forest conservation plan. If there are any subsequent modifications to this plan, not including changes initiated by a government agency, a separate amendment must be submitted to M-NCPPC for review and approval prior to the submission of a forest conservation plan.

To retrieve a copy of the approved plans with signature, go to the web page: <http://www.montgomeryplanning.org/development/finder.shtm> and enter to plan number shown above. If you have any questions regarding these actions, please feel free to contact me at (301) 495-4622.

Sincerely,

A handwritten signature in black ink, appearing to read "Katherine Nelson".

Planner Coordinator
