Hi Ms. Robeson Hannan,

As you are aware, we filed a Motion to Amend the above-referenced application on Tuesday, July 7th. In our submission we sent a sharefile link that contained electronic copies of the amended application materials. Planning Staff has since requested that we physically depict the motorcycle parking and bicycle parking on the garage layout (instead of just committing to provide those spaces in the data table). Accordingly, we are submitting a revised parking garage layout plan. This updated plan will be reflected in the hard copies that are submitted to you and David Brown. Is it possible for this one sheet to be substituted in the electronic file that we transmitted on July 7th? Thank you for your assistance.

Best,  
Liz Rogers  
Steve Robins
