Dear Mr. Mankowski,

This letter is to inform you that Natural Resource Inventory/Forest Stand Delineation (NRI/FSD) 420230690, Forest Glen Medical Center, is approved. Since the property is subject to the Montgomery County Forest Conservation law, there shall be no clearing of forest, understory, or tree removal on the subject site prior to the approval of a final forest conservation plan. If there are any subsequent modifications to the approved plan, not including changes initiated by a government agency, a separate amendment must be submitted to M-NCPPC for review and approval prior to the submission of a forest conservation plan.

If you have any questions regarding these actions, please feel free to contact Amy Lindsey at (301)495-2189.

Sincerely,

Amy Lindsey
